"Public responsibility demands public scrutiny"

Georgia Supreme Court

I really don't like (Yes, I do) to think Whitlock and others are trying to circumvent the Open Records Act on a daily basis . This is getting out of control for people who signed oaths. **I thought you guys are people of God? Maybe just on Sundays! I should submit my requests on Sundays and maybe get honest responses.**

EMPLOYMENT OATH

- Hold the badge I carry with the highest regard, maintaining moral and ethical values whether on duty or off.

Signature of Witness: _____

The image shows two handwritten signatures in black ink. The first signature is 'Tommie Boyd' and the second is a witness's signature. Both are written over horizontal lines that serve as signature guides.

Dear Mr. Royce:

I represent the City of Grantville, Georgia, and your November 8, 2021, request pursuant to the Georgia Open Records Act (O.C.G.A. § 50-18-70 *et seq*) for “1) Copy of any and all Police Officer Standards and Training courses Tommie (Tommy) Boyd: aka TJ Boyd dob: 10/10/1977 has completed including but limited to operation of any emergency vehicle, handgun safety course, powers of arrest, traffic control, basic law enforcement course, use of deadly force & de-escalation, firearms qualificatoin (sic) and ethics & professionalism. 2) Copy of any written agreement between Grantville Police and Tommy Boyd for the use of any police gear or police vehicle(s)” has been forwarded to me for response.

In response to the requests the City of Grantville has no responsive public records.

I don't blame Mr. Mitchell because someone is feeding him these lies. If I was Mr. Mitchell, I would not be happy with my clients lying to me all the time. But the money is good for him, I understand! (Money Over Ethics) Its Christmas time, get all you can it. Mr. Mitchell knows exactly what is going on in Grantville. Mr. Mitchell, I bet this crap doesn't occur in the City of Moreland.

Boyd was officially issued police "gear". Other than his alleged maintaining the "highest ethical values" (I guess unlawfully playing policeman is okay with his standards or an unlawful unlicensed security guard, however you want to spin it). Where are the use restrictions the city placed on him regarding the badge when they issued it to him? A COMPETENT POLICE CHIEF WOULD NEVER ALLOW A NON-SWORN PERSON TO RECEIVE A POLICE BADGE WITHOUT ANY WRITTEN RESTRICTIONS ON IT'S USE. I bet every honest Police Chief in Georgia would agree with me.

Promote Cliff to Police Chief today!
