I would expect one of you elected officials would be concerned about Alfred ignoring your lawful vote about not compensating police impersonator AKA: Chaplain Boyd and giving him public funds.

One of you elected officials need to look into and determine if Alfred unlawfully paid the other two Chaplains and who requested it? You guys don't see how unethical all that is?

Or do you all put your heads in the sand like a group of COWARDS? Don't allow Alfred to destroy our city government. Grow a spine and stand up for Grantville. Only you guys can stop him.

Don't forget elections are coming up in 11 months and there will be all new people in your positions and Alfred will be escorted out the front door by the new police chief.

Terminate incompetent Whitlock and promote Cliff.
