"Public responsibility demands public scrutiny"

Georgia Supreme Court

Here is more proof Alfred is filtering records. I did one request for the Whitlock's employment application. When I complained about not receiving all the records (attachments) I was sent another copy of the application and those records had an "Applicant's Certification and Agreement" (not in the first compliance). It's a small thing but still another indication Alfred filters my requests.

Here is the issue

Whitlock claimed on his employment application he had been a Deputized United States Marshall

- Grantville was never provided from Whitlock any records he had been a Deputized United States Marshall.
- Meriwether Sheriff's Office does not have any records of Whitlock being a Deputized United States Marshall.

Did Whitlock lie on his application?
