Mr. Mitchell,

I have tried to determine who is the City Prosecutor for Grantville. I submitted an email to city officials which resulted in zero responses. I asked the court clerk and the city clerk, and no one knew. I contacted the Prosecuting Attorneys' Council of the State of Georgia to determine if the city complied with Code 15-18-91 which would have listed the city prosecutor's name. It seems no city prosecutor has been named, the city charter states you become the city prosecutor by default (Sec 3-05: *The city attorney shall be responsible for representing and defending the city in all litigation in which the city is a party, shall be the prosecuting officer in the recorder's court unless a prosecutor is separately appointed pursuant to Section 3.06 of the charter*)

I am alleging and requesting prosecution (criminal or civil – pursuant to Sec. 1-7 & 1-10) of the following people for willfully violating / ignoring the City Charter and Code of Ordinances. Pursuant to Sec 1-3, Grieshaber action of ignoring the legal vote of the elected city council which degrades the democratic processes of a local government is willfully evil and the remedy can only be for Grieshaber to be held administratively and legally accountable for his actions.

. Alfred Grieshaber

- a. In 2018, 2019 & 2020, (Three separate violations) when Grieshaber decided to unlawfully override the city council's 2017 vote not to provide any compensation to Tommie J. Boyd who was acting as the Police Department Chaplain was a violation of City Code Sec 1-9, 3-09 & 2-173 and admitted in an open city council meeting that he in fact did commit the violations (audio recorded evidence).
- b. Violation of Sec 3-09 Violation of Oath of office "*I solemnly swear (or affirm) that I will support the Constitution and **will obey the laws** of the United States and the State of Georgia; that I will, in all respects, observe the provisions of the charter and ordinances of the City of Grantville, and that I will faithfully*

discharge the duties of the office”

- c. Grieshaber willfully altered and directed city personnel to falsify public records when he authorized unknown city employee to issue Tommie Boyd and others Christmas bonuses for years 2018, 2019, 2020 (2021) by classifying Boyd as an employee to circumvent laws and / or policies when he knew Boyd was not a city employee.
- d. Grieshaber willfully violated Sec 2-173 (k) “No city official or employee shall grant or make available to any person any consideration, treatment, advantage or favor beyond that which it is the general practice to grant or make available to the public at large.” When Grieshaber made the decision to willfully ignore the city council's wishes and pay Boyd and others Christmas bonuses, he did not make available to other city volunteers such as citizen committee members the same benefit as Boyd.
- e. I further allege the city official who initiated these bonuses is a party to the same violations.
